The Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) has removed the state issued Special Condition to complete a *Capability Estimation* document, which was due to our office by April 1, 2014.

Specially, this special condition was listed as part of *Section D. Data Collection/Reporting Requirements*, *The applicant agrees to cooperate with any national and state; assessments, evaluation efforts, and/or data and information collection requests.*

Our office has confirmed with the Federal Emergency Management Agency (FEMA), Region VI Office that although this was a planned requirement, they have since removed it.

Please place this Memorandum in your respective grant files for both EMPG and SHSP.
