

**LA Governor's Office of Homeland Security and Emergency Preparedness
AWR 313 – Homemade Explosives: Awareness, Recognition, and Response**

Harvey, La
June 1, 2018

Course: AWR 313 – Homemade Explosives: Awareness, Recognition, and Response

Homemade Explosives: Awareness, Recognition, and Response (HME) was developed to provide first responders with the knowledge, skills, and abilities to effectively prevent, interdict, and respond to an imminent threat caused by HME laboratories and producers.

The course will focus on the various components and manufacturing processes of homemade explosives, response considerations when encountering homemade explosives, enhancing community situational awareness, and ensuring appropriate personal protection.

Audience: Any first responder who may encounter HME components during their work; Emergency Medical, Law Enforcement, Fire and Emergency Management Services

Prerequisites: There are no prior requirements

Dates and Times: June 1, 2018

8:00 AM – 5:00 PM

Location: Boomtown Casino, New Orleans (Jefferson Conference Room)

4132 Peters Rd.

Harvey, La. 70058

Registration: To register, sign up on the GOHSEP Training Registration page:
