February 3, 2020

Dear Elected Official:

This letter is a special invitation to join me at the Louisiana Elected Officials Emergency Management Summit, hosted by the Governor’s Office of Homeland Security and Emergency Preparedness (GOHSEP).

The Summit offers a high-level view of important statutes, regulations, guidance and resources – including many found within GOHSEP – so you can better navigate the complexities of the emergency management world. From preparedness and prevention to response and through long-term recovery of disaster-impacted communities – including the implementation of mitigation strategies to make our State and communities stronger, safer, better able to withstand the next disaster – the Summit will provide important information you need to know.

For your convenience, the Region 3 Summit will be held on Wednesday, April 22, 2020, 9:00 AM – 11:30 AM at the Thibodaux Wellness Center, 726 N. Acadia Rd., Thibodaux, LA 70301.

Space is limited with priorities to Parish elected officials, Office of Homeland Security and Emergency Preparedness (OHSEP) Directors, municipal elected officials, and members of the Legislative Delegation.

Register today to reserve your place: CLICK HERE TO REGISTER

Attendees will receive a copy of the Louisiana Elected Officials Emergency Management Manual, a desk reference that discusses resources for emergency or disaster preparedness, prevention, response, recovery and mitigation. Registration for the Summit reserves your copy of the Manual. Copies will be distributed at the meetings.

Parish and local elected officials and government leaders have a significant responsibility to protect our State, citizens, property and assets in the event of a disaster. The Summit is an important briefing to help you meet those responsibilities. We look forward to seeing you!

Sincerely,

James B. Waskom
