## MEETING DESCRIPTION

- Facilitate** discussion, work through emergency scenarios, and discuss **best practices** in emergency management and all-hazards **emergency operations planning**;
- Provide** an opportunity for school personnel, first responders, and emergency management professionals to **work together and collaborate** during the Regional Exercises;
- Focus** on **teamwork** and **relationship building** with an emphasis on school preparedness and planning.

## WHO SHOULD ATTEND

- Officials** from schools and districts responsible for creating, revising, or enhancing school Emergency Operations Plans
- Staff** who serve, or will serve, on their school or school district's Emergency Operations Plan planning team
- Other interested community stakeholders**, including first responders, emergency managers, public health, school security officers, etc.

Workshops are funded through the **Grants to States for School Emergency Management Planning (SEMP)** from the **U. S. Department of Education (DOE)** coordinated by the **Louisiana Department of Education (DOE)** and the **Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP)**.
