Disaster Recovery Center Opens in Lake Providence, East Carroll Parish, for Louisiana Survivors

BATON ROUGE, La. – A disaster recovery center will open Tuesday, April 19, in Lake Providence, East Carroll Parish, to help Louisiana flood survivors. The center is open 8 a.m. to 6 p.m. Monday through Saturday and noon to 5 p.m. Sundays until further notice.

The disaster recovery center is located at the following address:

**Town of Lake Providence Community Center
1320 Sparrow St.
Lake Providence, La.**

Survivors may locate other centers near them at fema.gov/disaster-recovery-centers or by calling 800-621-3362.

Representatives from the Governor's Office of Homeland Security and Emergency Preparedness, the Federal Emergency Management Agency, U.S. Small Business Administration, volunteer groups and other agencies are at the center to answer questions about disaster assistance and low-interest disaster loans for homeowners, renters and businesses. They can also help survivors apply for federal disaster assistance.

Disaster Survivor Assistance (DSA) teams are canvassing many affected areas, and are able to register people for FEMA assistance if needed. Sometimes these teams will remain in certain locations convenient to the community, such as a library or mayor's office. When residents require further assistance the teams may refer them to a disaster recovery center nearby.

It is not necessary to visit a center to register for and receive federal disaster assistance. If possible, survivors should register with FEMA before visiting a recovery center.

To register, go online to DisasterAssistance.gov or call the FEMA helpline at 800-621-3362. Help is available in most languages and phone lines are open 7 a.m. to 10 p.m. seven days a week until further notice.

Disaster survivors who are deaf, hard of hearing or have a speech disability and use a TTY may call 800-462-7585 to register. Those who use 711 or Video Relay Service or require accommodations while visiting a center may call 800-621-3362. All disaster recovery centers are accessible and equipped with tools to accommodate disaster survivors who need disability-related communication aids. Each disaster recovery center has assistive technologies for people with disabilities. To arrange to have an ASL interpreter at the DRC when you visit, call 225-382-1739.

Low-interest disaster loans from the SBA are available for businesses of all sizes including landlords, private nonprofit organizations, homeowners and renters. Disaster loans cover losses not fully compensated by insurance or other recoveries.
