PUBLIC NOTICE FOR THE DEVELOPMENT OF A PROGRAMMATIC AGREEMENT
Seeking Public Comment on the development of a Section 106 Programmatic Agreement for FEMA-funded building elevations and potentially including acquisition and/or mitigation reconstruction

FEMA is seeking public input on a draft Programmatic Agreement to meet its responsibilities under the National Historic Preservation Act for elevations of and/or other flood mitigation activities for historic buildings. Any member of the public is encouraged to provide views on how elevations may affect historic properties and ways that these effects may be avoided, minimized, or mitigated. FEMA requests your comments on the Section 106 Programmatic Agreement for elevations by 3/24/2020.

Go to https://www.crt.state.la.us/dataprojects/culturalassets/fema106/ for more information and to post comments. Or mail comments to: FEMA Mail Center/Environmental Historic Preservation 800 N. Loop 288, Denton, TX 76209, Or email comments to FEMA-R6-EHP@fema.dhs.gov.
