LWC bus tour to visit London Bridge Daycare *State Senator Barrow, State Rep. James and Councilwoman Green to join*

BATON ROUGE – The Louisiana Workforce Commission (LWC) announced today the first stop on its bus tour to flood-affected areas to assist residents and businesses in their recovery. LWC officials and elected officials, including State Senator Regina Barrow, State Representative Ted James and Baton Rouge Metro Councilwoman Erika Green, will visit London Bridge Early Learning Center at 4844 Monticello Blvd. in Baton Rouge, La. this Saturday, August 27, from 10:00 a.m. until 2:00 p.m.

LWC personnel will help members of the community get back to work by assisting those whose work was interrupted or lost due to the disaster file for disaster unemployment benefits, connecting unemployed individuals with newly-created disaster clean-up jobs with partnering employers and informing them of all re-employment services offered by the LWC.

The LWC will announce more stops on this bus tour as the dates become available.

About the Louisiana Workforce Commission

The Louisiana Workforce Commission is an agency of state government that administers programs designed to enhance workforce growth and provide family-sustaining jobs for Louisiana residents. The commission monitors employment, administers unemployment compensation and tax funds, provides training resources for employers and employees and oversees worker compensation benefits. The agency also gathers and supplies information on the labor market and occupational sectors in Louisiana.
