## Public Assistance (PA) Closeout Documentation Requirements Checklist

**★** is a Best Practice

Be sure your file is complete at Closeout. A complete file includes the following:

## NOTES:

- · All documents must be legible and permanent.
- Off-site backup of records is a risk management Best Practice.
- · Records must be maintained for three (3) years from the date of the final certification of completion of your last project associated with the specific disaster.
- . Banks may not be required to keep their records for more than four (4) years. Check with your bank to determine its retention
- . For any Presidentially declared disaster or grants awarded after December 26, 2014 all Subrecipients (Applicants) must follow the requirements stated in 2 CFR §200 and the cost principles articulated therein.
