Homeland Security Grant Bulletin

Bulletin No. 1

MEMORANDUM

TO: All Subgrantees

FROM: Christina Dayries,
Chief of Staff
Deputy Director, Grants and Administration

DATE: January 31, 2014

RE: GRANT AWARD NO. EMW-2013-EP-00062-S01, CFDA NO. 97.042 (EMPG)
EMW-2013-SS-00122-S01, CFDA NO. 97.067 (SHSP)

As you are all aware, Louisiana recently experienced two back to back winter weather events on January 24, 2014 and January 28 – 30, 2014 requiring a State Declaration of Emergency, and many local parish emergency declarations. These winter weather events resulted in many parishes' activating their emergency operations center in order to coordinate and respond to public safety needs.

As a result of these winter events listed above, I am extending the deadline for submission of the project applications for the Fiscal Year 2013 Emergency Management Performance Grant (EMPG) and State Homeland Security Grant (SHSP) from **January 31, 2014 to February 14, 2014**. This should allow those subgrantees the additional time to complete and submit the required project applications.

Please place this Memorandum in your respective grant files for both EMPG and SHSP.
