

LA Governor's Office of Homeland Security and Emergency Preparedness
AWR 313 – Homemade Explosives: Awareness, Recognition, and Response

Lake Charles, La
May 13, 2019

Course: AWR 313 – Homemade Explosives: Awareness, Recognition, and Response

Homemade Explosives: Awareness, Recognition, and Response (HME) was developed to provide first responders with the knowledge, skills, and abilities to effectively prevent, interdict, and respond to an imminent threat caused by HME laboratories and producers.

The course will focus on the various components and manufacturing processes of homemade explosives, response considerations when encountering homemade explosives, enhancing community situational awareness, and ensuring appropriate personal protection.

Audience: Any first responder who may encounter HME components during their work; Emergency Medical, Law Enforcement, Fire and Emergency Management Services

Prerequisites: There are no prior requirements

Dates and Times: May 13, 2019

8:00 AM – 5:00 PM

Location: L'Auberge Lake Charles

777 Avenue L'Auberge

Lake Charles, La. 70601

Registration: To register, sign up on the GOHSEP Training Registration page:
