## PRESS RELEASE

### **Possible temporary closure of Cameron Ferry**

**Lake Charles** - The Louisiana Department of Transportation and Development advises motorists that the Cameron Ferry service may be suspended due to hazardous conditions from Tropical Storm Barry. The ferry will remain in service as long as it is safe to operate, however a decision may be announced with little to no additional warning due to rapidly changing conditions.

Motorists are encouraged to check the status of road conditions and the ferry prior to beginning commutes to impacted areas by utilizing the following resources for the latest information regarding road conditions:

- **MyDOTD:** Motorists can receive automatic and up-to-date information on local projects, lane and road closures, and other DOTD activity by signing up for MyDOTD at [www.dotd.la.gov](http://www.dotd.la.gov).
- **511 Traveler Information:** Travelers can also find information regarding road closures by visiting the 511 Traveler Information website at [www.511la.org](http://www.511la.org) or by dialing 511 from their telephone and saying the route or region about which they are seeking information. Out-of-state travelers can access the system by calling 1-888-ROAD-511 (1-888-762-3511).
- **Social media:** Additional information can be found at DOTD's Facebook and Twitter pages
