Chairman Boudreaux asked for a motion to approve the minutes from the 2013 meeting. The motion was made by Chris Guilbeaux and seconded by Cpt Mark Richards.

The entire committee discussed the opportunities that were taken throughout 2014 to provide training to parish directors on the IMAC board that has been created within WebEOC. Guilbeaux and Ballow described how we did specific training during the February 2014 OHSEP Annual Workshop on the IMAC system.

The committee discussed the Mission Ready Packages that have been created and that state agencies continue to work on so they can be used for EMAC missions across the country. Chairman Boudreaux recommends that GOHSEP work closely with the parishes in order to assist them in building Mission Ready Packages (MRP) so each parish has the preliminary work done in the event that one parish calls on another for support.

No one from the public was in attendance at the meeting and upon completion of the discussion, Chairman Boudreaux received a motion from Chuck Hurst to adjourn the meeting, the motion was seconded by Fabian Blanche and the meeting was adjourned at 10:50am.
