

# ICS-400: Advanced Incident Command System

The target audience for this course is senior personnel who are expected to perform in a management capacity in an Area Command or Multi-agency Coordination Entity. This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). This course expands upon information covered in ICS-100 through ICS-300 courses. This course will include but not be limited to: major and/or complex incident/event management, area command, and multi-agency coordination. This course is designed to provide overall management skills rather than tactical expertise.

## Prerequisites:

IS-100	Introduction to Incident Command System
IS-200	ICS for Single Resources & Initial Action Incidents
IS-700	An Introduction to the National Incident Management System
IS-800	National Response Framework, An Introduction
ICS-300	Intermediate ICS for Expanding Incidents
