504-450-2311

There are no prerequisites required to take this course.

COURSE DESCRIPTION:

This course is an overview to the Emergency Operations Center (EOC). Participants will learn the GOHSEP mission, top threats to Louisiana, an overview of the Emergency Operations Plan (EOP), ESF numbers and functions, and other basic functions of the EOC. This course is for all new employees that could be activated as well as users needing a basic refresher.
