

Mass Casualty Incident (MCI) Course

Prepare, Respond, Save Lives

Are you ready to respond to the unexpected? Our comprehensive MCI Course is designed for anyone who may be involved in responding to an MCI, including:

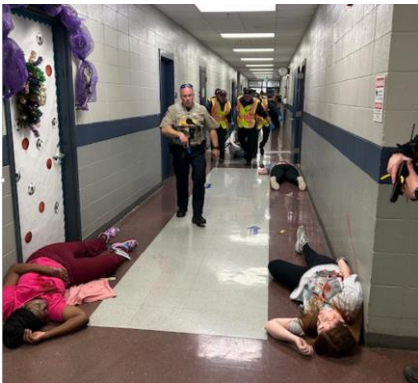

- Local Law Enforcement
- Fire/EMS/Rescue
- 911 Dispatchers
- Hospitals
- Emergency Management
- Schools

This critical training program covers the entire spectrum of response specific to Louisiana, from the point of injury to definitive care.

Participants will learn how to:

- Apply Hemorrhage Control
- Identify and Treat for Shock
- Integrate Response
- Establish Casualty Collection Point
- Manage Continuity of Care
- Ensure available resources saves the most amount of lives
- Develop and Manage Incident Objectives
- Triage Casualties
- Unify Command
- Staging Operations
- Coordinate Care with other agencies

Prerequisites: IS-100, IS-200, IS-700, and IS-800

Right Place. Right Time. Right Care.
